

ALBERTA **THEATRE** PROJECTS

Conversations with Artists Booking Form

A Youth Engagement Program

We bring artists right into your classroom!

WHAT IS A CONVERSATION WITH ARTISTS

Our Conversations with Artists program brings theatre artists right into your classroom for behind the scenes discussions and Q&A with students about any aspect of theatre or the creation of one of our productions. You pick the date and we come to you.

NOTE: These conversations are just that, conversations. The artists will not teach or lead the class.

BOOKING A CONVERSATION
